WHAT YOU ARE BUYING

Official PECB courses: self-paced online, with 12 months of access, the PECB exam voucher and two exam attempts. Most are PECB eLearning, with video lessons; some are PECB Self-Study, the course materials without videos, and your quote names the format. Every PECB course also includes our learner hub, its members-only community, Ask a PECB Certified Trainer (answered within two days) and the Mindset Cyber Study Guide.

CompTIA exam vouchers and CertMaster training and exam bundles, emailed to the learner within 24 hours of payment. The learner hub comes with the PECB courses, not with CompTIA vouchers.

All of it is online and self-paced, with no classroom dates. Three or more participants get our team price; your quote shows it.

HOW ORDERING WORKS

1. Quote: tell us the participant, the course and your reference code, and we send a quote.
2. Invoice: issued to your organization, showing the participant's name, your reference code and a PO number if you need one.
3. Payment: pay online by card from the invoice link, or by bank transfer.
4. The participant creates a myPECB account and sends us the email address they used.
5. We assign the course within one business day of payment.

Payment comes before the course is assigned.

PAYMENT

Pay online by card from the invoice link, or by bank transfer. Bank details are sent from info@mindsetcyber.com.au on request. Please confirm them by phone on +61 3 7034 4455 before you pay.

Refunds: no refund once the course is accessed. The full policy is at mindsetcyber.com.au/returns-refunds-policy/.
